## BOW BRICKHILL COFE PRIMARY SCHOOL

Established 1878

My thoughts on leaving 2013

Bow Brickhill primary school is a lovely  
nice school and I'll never forget  
all the lovely staff and friendly children.

my funniest memory was probably when  
I spilt my carton of milk all  
over across carpet and on my new shoes  
as a result of that acorns smelled like  
sick for a week. So did my new shoes.  
I was sad.

Through my brickhill life I have learned  
some lovely and useful things and I  
was shy when I was younger but the  
Bow Brickhill staff have helped me to be  
a strong confident girl.

So that concludes  
my 7 years at bow  
Brickhill I'll miss you all  
so thank you ever so much every one.
