

BOW BRICKHILL COFE PRIMARY SCHOOL

Established 1878

My thoughts on leaving 2013

I remember when I first started primary school in Acorns and I didn't know anyone but I soon made friends. My favorite memory from Acorns was when Emily spilt all her milk over the carpet. My favorite toy in Acorns was the barbie. Also my best lesson was when we were reading stories.

Through my time in Bow Brickhill I have learnt lots of new subjects like Maths. All the staff and teachers have been really kind and helpful to me and have been a very good role model.

My thoughts on leaving 2013

My favorite trips were when we went to see MacBeth it was really good. Also my favorite was when we went swimming in Cedars. In Oaks my favorite trip was Milton Keynes Museum and my best trip in Acorros was going to the zoo.

I loved this school and I will miss it very much and thank you for all the support.
