My thoughts on leaving 2013

My time at Bow Brickhill.

My time at Bow Brickhill is a really good. The trips that we have are really fun. We've been to Cadbury's world, Wixted park and Coldiecott experience.

My favorite lessons are art, PE, English, music and History.

I love my time here because I made new friends, my friends are really good. I love my time here and I will treasure it in my heart.
