## BOW BRICKHILL COFE PRIMARY SCHOOL

Established 1878

My thoughts on leaving 2013

My time at Bow Brickhill has been amazing, its been fun as I've learnt so much over the years in maths. Its been my favourite lesson as I need to thank the teachers for helping me. This one of the kindest schools in the world and I've always seen people being nice to each other.

I've had so many sunny moments as it comes my friends, Caldecotte was so sunny because Hamza fell out of the kyach, Hamza was quite mad.

This school will keep memories in my head for years.
